Tiffany -

I request that my FOIA inquiry not be withdrawn, but temporarily be put on hold, pending your agency's consideration of my suggestion and my evaluation of the response.

Thank you for your prompt and efficient communications with me on this matter,

Connie

Good Morning Ms. Barlow!

Hope you're having a wonderful Friday thus far. I am in receipt of your email that you sent and I will send this to the responsible office for them to review your comments.

I just want to be sure I'm understanding correctly--at this time are you withdrawing your FOIA request?

Your help with this will be greatly appreciated. Thanks and I hope to hear from you soon.

Tiffany -

I just sent you a long, formal email proposing a win-win solution.

Do let me know you received it.

I am happy to delay any further work on your part in fulfilling my existing FOIA request, until your group has a chance to ponder my suggestions. Then, the remaining data request may no longer be relevant.

Thanks!

Connie
